Greetings!

A large public works project is like a puzzle. Public involvement is an important piece.

Very soon the Minnesota Legislature will make decisions about funding for bus rapid transit in the Gateway Corridor. Please let your legislators know how you feel about the project. One way to accomplish that is by attending a meeting this Thursday. Details below. Thank you.

You're Invited Thursday to a Senate Hearing in Woodbury

Sen. D. Scott Dibble, chair, will lead a Minnesota Senate Transportation Committee hearing Thursday in Woodbury.

Business leaders, residents, students, seniors, and commuters are encouraged to attend to show support for the METRO Gold Line bus rapid transit project in the Gateway Corridor.

Thursday, March 5, 2015, 6 p.m.
Woodbury Central Park Amphitheater
8595 Central Park Place,
Woodbury, MN

Lend Your Voice to the Gold Line

In order for METRO Gold Line BRT in the Gateway Corridor to stay on track, funding is needed now. Funds provided by the state will be used to match federal funds and to begin the next phase of work.

Legislators want to hear from their constituents. Please

contact your legislators by phone or email [now](#) and let them know how you feel about the Gateway Corridor rapid transit project.

▶ TAKE ACTION

About the Gateway Corridor Commission: The Commission was created in 2009 to study and plan alternative transportation options for the area along Interstate 94 in the eastern metro of the Minneapolis-St. Paul region. The Commission is comprised of local elected officials and business leaders. The Commission in early 2013 identified a preferred route for a fixed-guideway alternative in the Gateway Corridor. The project seeks to improve transit service from the Union Depot in St. Paul to the eastern metro, while providing a focal point for more concentrated development as the region grows.
